#	RESPONSES	DATE
1	It looks the most inviting and interesting to explore	3/20/2021 12:53 AM
2	Because hopefully it will keep the football field and It has the most equipment for different ages	3/19/2021 10:27 PM
3	It has a path for pushchairs/wheelchairs.	3/19/2021 9:12 PM
4	Range of equipment	3/19/2021 8:58 PM
5	Looks fun	3/19/2021 8:43 PM
6	I like the fact there are walkways for buggy's and wheelchairs	3/19/2021 7:46 PM
7	The first one was too busy with not so interesting contents as 3. The middle looked like the items scattered without much thought to layout and items no so interesting as 3.	3/19/2021 6:40 PM
8	It looks fantastic and great for all ages.	3/19/2021 6:08 PM
9	Looks the best design with a lot of equipment which makes best use of the space	3/19/2021 4:46 PM
10	Best range of equipment and most equipment	3/19/2021 4:41 PM
11	It has varied equipment for all ages and is laid out very well. This plan fits in best with the area and love how it enhances the mound.	3/19/2021 4:35 PM
12	Spread out	3/19/2021 2:35 PM
13	Feel like it has something for all age groups from babies to teenagers	3/18/2021 9:33 PM
14	Like the path for pushchairs and wheelchair access	3/18/2021 8:33 PM
15	Because there is accessible path good for wheelchair/ power chair access which my daughter uses	3/17/2021 6:22 PM
16	The main reason for choosing PLAN 1 is the accessibility providing ideal navigation between the equipment with the tarmac path. Essential for a parent with a buggy or wheelchair access. This is inclusive and opens a whole new environment for so many more people. Eg. Grandparents in wheelchairs or electric scooters, parents with pushchairs. Especially in current times parks have been the absolute godsend to a lot of people's mental health and to enable even more people access would be fantastic. I would like to say that even though overall PLAN 1 ticks all the boxes, there are amazing suggestions in all 3 plans and with that in mind perhaps a fourth option could be brought forward bringing all 3 plans together? More specifically and using plan 1 as a canvas:- PLAN 1 # The Talktubes - There are talktubes at Harmby park and these do not fullfill their purpose. Could these be declined and the money spent elsewhere? # The different types of swings in the same area is a great idea then parents do not feel torn being with older or younger siblings at one end of the park to the other. #The inclusive roundabout on the PLAN 1 image looks smaller than the one previously offered as a tick choice. Is this the case or will it be of valuable size? # The play panels are lovely but the 'uniplay castle' seems interactive enough and therefore could the money saved here be put towards a memory swing instead? PLAN 2: # I think the roleplay train is a really great one for toddlers and would be a great addition to PLAN 1. #The equipement in this plan is very wide spread and I worry may have been popular due to the adult fitness area. Something to consider and something I wanted to mention. PLAN 3: # The memory swing! This is a must! To be able to experience the swinging motion with your child I think would be without a doubt really special and a great addition to PLAN 1. # Adult seating in this plan is a must for PLAN 1. This is so exciting and thank you so much to Leyburn Town council for sharing your ideas with us the general public. It feels so nice to be a part of our community in this way.	3/16/2021 9:41 PM

19	Path!! Would be fantastic for pushchair, wheelchair bikes and scooter use. Seems very good use of space and inviting	3/16/2021 12:31 PM
20	Plan one looks to be quite an interactive set up but i do think that a Fitness area is very important	3/16/2021 9:40 AM
21	Looks really good for the children and a lot of fun	3/16/2021 8:37 AM
22	path looks practical and nice, lots of play activities and looks better organized than the rest	3/16/2021 7:23 AM
23	More space	3/15/2021 8:44 PM
24	It has a lot of thing to be able to use to entertain a chairs from young to old	3/15/2021 4:41 PM
25	My child has additional needs including autism, global developmental delay and sensory processing disorder. As he is getting bigger, it's not going to be long before his feet will drag on the ground in a toddler swing. He needs a swing to support him and be big enough for him. He is obsessed with spinning and bouncing. The spinning seat is so important for my child's sensory issues and helps him to self regulate. Same with bouncing on the trampoline. We often travel to spennithorne park so he can use the spinning saucer seat and the trampoline. I think it's so important to take into account children in the area with sensory seeking issues and supply equipment for them to help them with their behaviour and to help self regulate. If these needs are not met, it has an impact on the whole family. Eg they will seek out pressure by nipping or biting, sleepless nights. These children need to release their energy and have trouble doing this unless their sensory issues are met. Special swings for additional needs children, trampolines to bounce and spinning seats are an absolute must in my experience. All children need to be catered for. 😊	3/15/2021 12:27 PM
26	A smooth path around the field allowing access for all ..	3/15/2021 11:35 AM
27	Set out best	3/15/2021 11:20 AM
28	Good mix of equipment and works well with surroundings	3/15/2021 10:58 AM
29	the paths make this plan good for access and all weathers	3/14/2021 4:11 PM
30	I like the idea of a fitness area	3/12/2021 6:08 PM
31	Exciting equipment	3/12/2021 4:10 AM
32	It has a good flow of play. It includes the equipment my 5yr old would like to see. My 5 yr old says he likes it because it has a 'goose springer' 🐓	3/11/2021 7:18 AM
33	More variety for all ages. I like the castle themed section too making good use of the mound.	3/10/2021 8:06 PM
34	Its more playful	3/10/2021 5:21 PM
35	Theres a lot of things you can all do together.	3/10/2021 4:37 PM
36	Space	3/9/2021 6:55 PM
37	Plan 1 is the best laid out and offers more equipment. we love the feature castle on the hill!	3/9/2021 4:01 PM
38	Open space	3/9/2021 12:16 PM
39	Looks tidier and less messy	3/9/2021 6:27 AM
40	Difficult to pick a favoured option as they all offer good choices. 1)The castle multi level unit 2)Trampoline - always popular. Could I suggest the fitness area from plan 2 for the adults is offered on all options? The hill options for one and two are good , however plan 3 is let down by the lack of a hill option.	3/8/2021 10:22 PM
41	Fitness area	3/8/2021 9:23 PM
42	Larger more exciting rides	3/8/2021 9:00 PM

52	A good mix of activities for varying ages	3/8/2021 1:15 PM
53	Colourful and inclusive, but hard to choose between plan 1 and plan 3!	3/8/2021 1:12 PM
54	Looks more fun	3/8/2021 12:54 PM
55	Looks to be a variety of activities for all ages and this is important to me as I have a toddler and then an older child.	3/8/2021 12:48 PM
56	The open space ( adaptable )	3/8/2021 12:48 PM
57	The path and layout!	3/7/2021 7:35 PM
58	Covers a greater age range	3/7/2021 6:26 PM
59	This plan looks very pleasing to the eye and a good use of the space. I can actually visualise this plan working and looking great	3/7/2021 5:50 PM
60	The path would be great and lots of defined areas	3/7/2021 4:00 PM
61	Because it has purpose built path which would make access for wheelchairs, prams, less physically able persons easier.	3/7/2021 2:52 PM
62	It looks to be the most varied pieces of equipment for children of all ages	3/6/2021 10:35 PM
63	It leaves space to just run around or have a quiet sit	3/6/2021 9:03 PM
64	Feels more enclosed	3/5/2021 11:53 PM
65	Lay out	3/5/2021 6:44 PM
66	looks more organised	3/5/2021 4:33 PM
67	it looks fun	3/5/2021 3:06 PM
68	Looks best	3/5/2021 2:03 PM
69	Because on plan 3 there's a mix of things for big children and for toddlers. There are safety surfaces under the equipment. We do also like the castle from Plan 1.	3/5/2021 1:26 PM
70	There is lots of equipment so people don't have to fight about what they want to go on	3/5/2021 12:47 PM
71	because it has fitness equipment for adults and the play area for kids	3/5/2021 12:46 PM
72	More open, looks less crowded together, everything looks good together and thoroughly enjoyable.	3/5/2021 11:57 AM
73	to me it seems the most fun. good layout and for all ages	3/5/2021 11:31 AM

79	Lots of variety	3/4/2021 10:31 PM
80	Accessible paths, good range of equipment to play with	3/4/2021 7:14 PM
81	Looks the most fun	3/4/2021 5:40 PM
82	It's less cramped. The shawl is good because its not all just cramped all up together.	3/4/2021 2:28 PM

## Leyburn Shawl Play Area Improvements

83	Because of how many cool items there are and how detailed it is!	3/4/2021 1:35 PM
84	Particular like the walkways to create 'zones'. Great access for pushchairs and wheelchairs.	3/4/2021 12:58 PM
85	Your narrative for this playground upgrade states a more inclusive play area. Where on any of these designs is anything that shows you are actually considering children with disabilities?	3/4/2021 12:51 PM
86	It has equipment for all ages.	3/4/2021 10:37 AM
87	More variety of equipment	3/4/2021 10:35 AM
88	I like it the best, because there is a lot of space and everything that is similar is grouped together. This makes it easier to navigate and find things that are similar. If you can see one thing and you're looking for something along those lines, you know it'll be nearby.	3/4/2021 10:33 AM
89	Because it looks fun	3/4/2021 10:15 AM
90	Fits area well.	3/4/2021 10:04 AM
91	More space and accessible paths to allow everyone to enjoy the park	3/4/2021 9:07 AM
92	It looks nicer and more things	3/4/2021 8:53 AM
93	It's very comprehensive and easy to get round	3/4/2021 8:53 AM
94	Seems to use all the space, and have a path all the way though	3/4/2021 8:38 AM
95	looks well spaced out and well equipped.	3/4/2021 7:10 AM
96	Something for all age groups and disabilities	3/4/2021 12:14 AM
97	It looks easier to keep an eye on more than one child. It also looks more appealing. Plan 2 feels too uniform with equipment in rows, plan 1 doesn't appear to have benches. Although non seem to have picnic benches which would be far more practical!	3/3/2021 9:03 PM
98	Looks more in keeping	3/3/2021 9:02 PM
99	The path makes it more accessible for wheelchairs/ pushchairs and for children to play on their bikes. How about a small bike track for children to go around?	3/3/2021 8:24 PM
100	Because it's got lots of play equipment in it. Looks more coherent and user friendly than the others.	3/3/2021 7:06 PM
101	Well laid out	3/3/2021 4:43 PM
102	It looks more fun than the others.	3/3/2021 3:33 PM
103	Wheelchair and pushchair friendly. Footpaths which won't get muddy in wet weather.	3/3/2021 2:17 PM
104	Too much equipment in other plans and not in keeping with Leyburn Shawl personally this area is not the right place for playing area	3/3/2021 1:59 PM
105	Looks more attractive	3/3/2021 12:07 PM
106	Most variety of play	3/3/2021 11:44 AM
107	suitable for all.	3/3/2021 11:41 AM
108	It's just a lot more open and there is also a fitness area	3/3/2021 11:41 AM
109	I prefer plan 2 as it has more things I personally would use and in line with current conditions (COVID) it is more spread out	3/3/2021 11:26 AM
110	Seen equipment like this at Skeeby and my kids love it!	3/3/2021 10:51 AM
111	so instead of running far its close	3/3/2021 10:39 AM
112	Because it has a lot of equipment.	3/3/2021 10:33 AM
113	We like plan one mainly because of the paths which will make it accessible to buggies and wheelchairs. We have a child with special needs who absolutely loves the witches hat as he needs to climb very high! We travel regularly from Richmond specifically for this! So, good to see that it still features.	3/3/2021 10:02 AM
114	Fitness area	3/3/2021 9:53 AM
115	because it tells you what the name is	3/3/2021 9:49 AM

## Leyburn Shawl Play Area Improvements

116	very difficult to choose but this looks quite varied	3/3/2021 9:47 AM
117	because it looks more fun	3/3/2021 9:45 AM
118	because there is more things to play on	3/3/2021 9:34 AM
119	A revamp is much needed .somewhere safe for the kids this looks fun and safe and after a year of lockdown a fab place to escape to	3/3/2021 9:23 AM
120	It resembles the current park, which I do not think should be removed the money should be used for a bike track for the older children within the park	3/3/2021 9:19 AM
121	It has the most exciting equipment, and it looks to have something for all ages.	3/3/2021 9:17 AM
122	Lots of things to do for all ages	3/3/2021 9:09 AM
123	Because it is the most detailed out of the three of them, with lots of creativity put into it and a lot of rides	3/3/2021 8:58 AM
124	Looks like there is something for everyone, great use of space. The castle looks great for children's imagination.	3/3/2021 8:27 AM
125	The variety and set up	3/3/2021 8:20 AM
126	I think the play castle offers children a great opportunity for fun filled days although, if all the equipment shown is installed it doesn't allow children the space to play running games, ball games or free play. A seating area would also be great for picnics, socialising and time out.	3/2/2021 10:04 PM
127	More green space to play ball games or have picnics	3/2/2021 5:11 PM
128	I like how there is also a fitness area so adults can also go and how there is lots of things to do and all spaced out.	3/2/2021 3:01 PM
129	Everything looks well spaced out and there is a fitness area that adults could go to whilst the kids play in the park.	3/2/2021 2:59 PM
130	spread out	3/2/2021 2:49 PM
131	Keeps the football goal in view and makes the most of the space allotted	3/2/2021 2:42 PM
132	Because they are all together so it's easier to move around	3/2/2021 2:37 PM
133	Its not to bright, its nicely spaced out and theres lots to do.	3/2/2021 1:35 PM
134	I like the paths inbetween	3/2/2021 1:06 PM
135	Two slides on climbing frame	3/2/2021 12:10 PM
136	it is evenly spread out across the feild	3/2/2021 12:09 PM
137	it has the most stuff	3/2/2021 11:58 AM
138	yes	3/2/2021 11:44 AM
139	Looks to be a lot more going on, I like the path around the play are.	3/2/2021 11:38 AM
140	More equipment than the others	3/2/2021 11:27 AM
141	Because the flat seated swings seem to be facing down the field and I like to look down the field when I'm with my friends and the equipment is quite spaced out	3/2/2021 11:18 AM
142	more area to play and seems more fun	3/2/2021 11:14 AM
143	There are more things to play on.	3/2/2021 11:03 AM
144	Because it has loads of rotator and the rope swing	3/2/2021 11:01 AM
145	because its the best	3/2/2021 10:52 AM
146	it looks fun!	3/2/2021 10:49 AM
147	Exciting	3/2/2021 10:44 AM
148	Because the play toys are really fun	3/2/2021 10:25 AM

150	concrete	3/2/2021 9:57 AM
151	easier to get to different places	3/2/2021 9:56 AM

## Leyburn Shawl Play Area Improvements

152	I like plan one because it has a castle.	3/2/2021 9:43 AM
153	because it looks fun.	3/2/2021 9:35 AM
154	Because the mountains are on the hill, it makes it visually good.	3/2/2021 9:27 AM
155	Because there is more fun things for older children to do as well as younger children	3/2/2021 9:26 AM
156	I like this because it has many options and once we can meet up friends we can go to this park and it would be a fun time and plus the fitness area would because you just know you can go on the things anytime	3/2/2021 9:26 AM
157	because there are more options to choose from	3/2/2021 9:24 AM
158	Because it has the most diversity in what people can do	3/2/2021 9:19 AM
159	because it tells you what equipment it is	3/2/2021 9:17 AM
160	because it is spaced out and you don't have to walk the whole field just to play	3/2/2021 9:15 AM
161	I like the equipment on this plan	3/2/2021 9:11 AM
162	i dont know which but keep the zipline	3/2/2021 9:09 AM

164	Because their is lots of different equipment	3/2/2021 8:57 AM
165	it doesn't look to crowded	3/2/2021 8:55 AM
166	It has a range of different equipment and it is suitable for everyone	3/2/2021 8:12 AM
167	Because it has a lot of equipment in it and because of the variety	3/1/2021 8:34 PM
168	It looks magical	3/1/2021 6:59 PM
169	Makes more sense	3/1/2021 6:56 PM
170	Nicely laid out	3/1/2021 6:35 PM
171	Looks great for everyone	3/1/2021 5:40 PM
172	More room in the playground	3/1/2021 5:35 PM
173	It has footpaths	3/1/2021 5:31 PM
174	it looks more spacious	3/1/2021 5:29 PM

176	Footpath makes access look better.	3/1/2021 5:08 PM
177	i like the path through it and that most of the field remains free from equipment	3/1/2021 3:55 PM
178	Accessible pathways for people with roams and wheelchairs. All items together for easy watching of multiple children. Leaves open space to play as well as the park area	3/1/2021 1:55 PM
179	Less spread out than No 2 so easier to supervise children. No 3 seems good, too.	3/1/2021 1:39 PM
180	There's path for prams and wheelchairs and I've struggled with access because of this previously.	3/1/2021 1:30 PM
181	Still free space at the bottom for older ones to play football	2/28/2021 6:41 PM
182	Plenty of variety and having the solid path through the park will make it so much easier for pushchairs, using roller skates and wheelchairs	2/28/2021 12:56 PM
183	All 3 are outstanding.	2/27/2021 9:10 PM
184	Looks most accessible, and a variety of toys for different ages	2/27/2021 6:29 PM
185	Variety	2/27/2021 4:47 PM

189	Prefer the look and set out	2/27/2021 12:08 PM

## Leyburn Shawl Play Area Improvements

190	The paths lend to a better layout. I would like to see seating areas for picnics and inclusive equipment for wheelchair users. Exercise equipment for adults is a nice feature but not essential.	2/27/2021 12:07 PM
191	Lots of different play apparatus to fit children of all ages	2/27/2021 10:49 AM

## Q26 Please provide any other comments you would like to make regarding the Shawl Play Area?

#	RESPONSES	DATE
1	Very pleased that it is getting some attention to make it more useable by more children	3/20/2021 12:57 AM
2	I live next to it and really enjoy watching it being used appropriately and seeing children be children	3/19/2021 7:50 PM
3	Though I am not a child This looks like a good project for children who some may otherwise prefer a computer to get them out and enjoy some healthy and enjoyable physical activity	3/19/2021 6:51 PM
4	<b>Bikes</b> Please can the area be make more bike friendly, better access for kids going up there on bikes from the market square (currently there's an abrupt sign saying No Bikes). A section cordoned off at the bottom to create a path to the other gate as dog owners use this as a short cut n dogs poo in the playing field!	3/19/2021 4:50 PM
5	<b>Bikes</b> The sign on the shawl path says no bikes, if a bike track is made could this be addressed.	3/19/2021 4:43 PM
6	I would prefer areas specific to smaller children. I'd rather not have teens socialising and swearing near where my young child is playing .	3/18/2021 9:53 PM
7	Really happy to hear this is being redeveloped	3/18/2021 8:37 PM
8	<b>Improvement of facilities</b> If basketball nets where installed consideration to varying height of nets for younger children and less able Feel very strongly a toilet block should be provided due to the distance back into town this would allow for longer stays	3/17/2021 6:37 PM
9	<b>Fitness/ Gym</b> Chin ups and fitness	3/17/2021 1:23 PM
10	<b>Improvement of facilities</b> Living in leyburn and being the parent to children who currently need the facilities of a park to fulfill their current stages of development, I would like to put myself forward for any voluntary help needed towards this project. It is something that is very important to our community, our health and our future and something I feel very passionate about and would be so keen to be a part of. I will include some personal details below should I be able to help in any way. Thank you for sharing this with us and we can't wait to hear more. Regards. Name: [REDACTED] Tel: [REDACTED]	3/16/2021 9:55 PM
11	<b>Inclusive</b> I work tirelessly everyday helping people create inclusive environments. Access For All Uk. I know firsthand the heartbreak of having to sit in the sidelines	3/16/2021 1:13 PM
12	Maybe make areas more distinct for age groups so teens don't have as much need to be using the little ones equipment and also so I can keep my little one away from the more dangerous older equipment which I'm sure they will find very exciting!	3/16/2021 12:36 PM
13	<b>Inclusive</b> Take into account children with additional needs such as autism, sensory seeking and global developmental delay.	3/15/2021 12:31 PM
14	There needs to be a fenced off ( from the playground) route for those who cut along the bottom of the field with their dogs . What about litter ?	3/15/2021 11:41 AM
15	Our frequency of trips to the park is simply due to us being visitors to Leyburn (non Covid times) Even with current equipment it has been one of my daughters favorite parks anywhere!	3/14/2021 4:20 PM
16	<b>Fitness/ Gym</b> Fitness equipment would be a bonus	3/12/2021 4:12 AM
17	<b>Bikes</b> <b>Improvement of facilities</b> Somewhere to use cycles important. We are close, but toilets for visitors would help, however I am concerned they would become dirty would need attending to daily. A Kiosk/ cafe in summer would really be a great addition!	3/11/2021 7:32 AM
18	<b>Improvement of facilities</b> I feel it is important that the shawl play area is kept as dog free as possible. There are plenty of spaces to exercise dogs elsewhere and it is so important for parents to allow children the freedom to roam and roll around on the ground without the danger of dog faeces. If dogs were to be permitted into the play field (so as not to exclude some families) then there should definitely be a very clear zone that they must stay within	3/10/2021 8:13 PM

## Leyburn Shawl Play Area Improvements

and that can be avoided by playing families. Hitches where dogs can be tied within sight of their owners but outside the play areas would be useful.

19	<b>Bikes</b> The pump track would be amazing	3/9/2021 12:19 PM
20	<b>Football</b> We think it's great that money is being spent to improve the play area equipment but we'd also like to see improvements to the football pitch area. There is no other public spaces in Leyburn for children to go to kick or throw a ball about and the long grass and ridges in the surface make the Shawl far from ideal. During lockdown we took the children to the Shawl to play football but were very disappointed with the area. We, like a number of other local families, instead travelled to Hamby to play on their football pitch.	3/9/2021 7:46 AM
21	I'm from the Dales and work in Leyburn and go to school and childcare there. The shawl is the only place I think to go to in Leyburn to keep the children entertained and you feel there safe away from traffic!! It's a great idea to revamp the area and it's going to be used so much more I think. Hopefully, someone will be in charge or keeping it clean.	3/8/2021 11:26 PM
22	The play area has the potential to be an outstanding facility for younger children and families , where friends and families can meet and spend longer periods if the park is improved. Perhaps a pop up cafe at weekends in the summer months? Continue to prevent access to dogs to prevent fouling - We found a pile of dog faeces recently.	3/8/2021 10:31 PM
23	<b>Improvement of facilities</b> There are enough toilet facilities in the town. Don't think provision of toilets here is a good use of money. Definitely need to think about provision and opportunities for pre-teens and teens as there is little to do in Leyburn and hanging about town is not appropriate. A flat football pitch without holes is needed - especially as there is no where else to kick a ball around as both schools are closed to the public. It does not need to be a full size pitch necessarily but flat and safe is needed. Really welcome the proposals but would be disappointed if all the funds were to be spent on play equipment given there are two other play areas in the town and other facilities are lacking.	3/8/2021 9:10 PM
24	<b>Football</b> 2 football goals with nets , so local kids dont have to walk/bike to harmby with there mates to use football goals	3/8/2021 9:07 PM
25	We have used the play area every school holiday for the last 9 years and found it a very good resource, the children have loved the out door experience and exercise I beautiful surroundings.	3/8/2021 9:02 PM
26	.	3/8/2021 1:34 PM
27	It would make a more inviting place to spend time with family members in this lovely village.	3/8/2021 1:32 PM
28	I have no children. I'm a young adult who uses the shawl to get outside and help my self mentally. I sometimes take my nieces and nephews or meet other friends there to sit and chat or kick a ball around. I feel that young adults are looked down on for using this area as there are signs saying that only under 16s should actively occupy the area. I think it will be nice for the area to become more versatile as long as teenagers and young adults treat it respectfully.	3/7/2021 5:59 PM
29	<b>Football</b> All the Plans, i.e 1,2 & 3 seem overcrowded with too much equipment. We still want some space to run around and play ball games.	3/7/2021 2:56 PM
30	Shrubs around the perimeter, especially near the houses would absorb sounds and create wild life friendly areas Noise issues could be, a problem for nearby houses	3/6/2021 9:08 PM
31	No speaker as people may play inappropriate songs	3/6/2021 3:46 PM
32	<b>Football</b> We like that there is a big space to run about in, we wouldn't want it to be so full that we couldn't do that. We think it would be nice to plant wildflowers around the edges for bees and other wildlife. We're aware that there is no public access to a football pitch in Leyburn anymore. If the existing space at the Shawl can't be made suitable for football we hope the Council will consider where else local children can play.	3/5/2021 1:34 PM
33	the litter is bad	3/5/2021 11:39 AM
34	<b>Improvement of facilities</b> <b>Inclusive</b> Delighted it is being upgraded. Super spot and super facilities for all the local children and visitors too. Great to see including for disabled children too.	3/5/2021 10:46 AM
35	For Older teenagers to not think this is an opportunity to take over especially if there was a DJ post as I feel it would desterb the piece of people living close to the play park.	3/5/2021 10:25 AM
36	.	3/5/2021 9:38 AM
37	It is very cold and exposed, potential to plant some trees for more shelter?	3/4/2021 7:20 PM

## Leyburn Shawl Play Area Improvements

38	It is a nice area but not a lot for my little boy to go on apart from the swing and slide. He's only 18 months.	3/4/2021 5:42 PM
39	Delighted to hear development plans. My children are very young at the moment but more stuff for older children and teenagers is MUCH needed in Leyburn.	3/4/2021 1:01 PM
40	We don't live local but visit in the summer so time spent at the play area is daily when we stay	3/4/2021 10:40 AM
41	<b>Bikes</b> I would really like to see something for older kids to do. I think there is a lack of things for them to do in the time which ends up with them causing ASB and criminal damage. A bike or pump track would be ideal not only does it give them something to do but will keep them fit. I think a pod is a bad idea due to the damage and graffiti that has been caused to one that is already in Leyburn it attracts large gatherings of teenagers who cause damage or smoke in it. This would also be a great opportunity to get the kids involved	3/4/2021 9:15 AM
42	<b>Football</b> FOOTBALL	3/4/2021 8:56 AM
43	Love the area, love the view	3/4/2021 8:46 AM
44	I also use the play area with my childminded children. One thing that would greatly help would to have all the swings in one area, so a parent/carer can push more than 1 child at a time.	3/3/2021 9:08 PM
45	<b>Improvement of facilities</b> I think a toilet and picnic area would be of huge benefit to the park	3/3/2021 9:05 PM
46	Seats with backrests for the older grandparents	3/3/2021 2:28 PM
47	It needs moving from Leyburn Shawl	3/3/2021 2:01 PM
48	Would just like it to be a safe nice environment	3/3/2021 12:11 PM
49	We travel to other areas, Bedale good as something for kids and adults! so is the one in Northallerton near Barkers	3/3/2021 10:55 AM
50	<b>Improvement of facilities</b> We LOVE this park and our 8 year old twins really enjoy playing there. As I've said previously, one of our boys has special needs and loves the height of the witches hat as well as the zip wire. Would love to visit a new improved facility. Thank you	3/3/2021 10:09 AM
51	I'm strongly against a youth pod and a DJ stand as I think it will attract youths to an area where younger kids are to sit and drink alcohol and behave anti sociably	3/3/2021 9:56 AM
52	<b>Inclusive</b> Please keep the park mainly wooden and without paths as this causes a trip hazard and injury to the children, the grass is a safe play surface. It's a rural park and fits in very well, the obstacle course is very popular. Two of my children are autistic and the obstacle course provides them with structured play. I work as a childminder and the current park works well, the money should be used to provide a bike trail for the older children, some toilets and a nature/ quiet garden.	3/3/2021 9:27 AM
53	<b>Improvement of facilities</b> I would like it if they would add more facilities	3/3/2021 9:01 AM
54	Please consider the local residents when planning equipment/ areas for older children as it could encourage late night gatherings of teenagers.	3/2/2021 10:15 PM
55	I am a youth worker in Leyburn and would love the shawl to include activities suitable for young people or a possible youth club that can be used during the day by other groups.	3/2/2021 5:17 PM
56	To make it better	3/2/2021 2:42 PM
57	no	3/2/2021 12:16 PM
58	i would like some bars to swing on and do flips on please	3/2/2021 12:15 PM
59	Timber Items might look better than metal but understand longevity in metal.	3/2/2021 12:12 PM
60	I don't think there are many small children that go to the shawl. I feel like it's just 12 yr olds and above because I like to hang out there with my friends on the swings and just talk.	3/2/2021 11:43 AM
61	<b>Football</b> It's nice space for football and also I like to keep fit while kids play so a proper fitness area like Bedale be great please! ☺☺	3/2/2021 11:30 AM
62	it will be the best park	3/2/2021 9:59 AM
63	The shawl is great and I think that there could be a yoga bit would be great to calm down after running about.	3/2/2021 9:35 AM

## Leyburn Shawl Play Area Improvements

64	I LOVE THE ZIPLINE KEEP IT	3/2/2021 9:13 AM
65	never been there in my life	3/2/2021 9:10 AM
66	All these ideas are great I like the pod idea	3/2/2021 7:55 AM
67	a privet field for running/dog walking	3/2/2021 7:53 AM
68	<b>Bikes</b> Pump track would be the best idea	3/1/2021 5:42 PM
69	<b>Improvement of facilities</b> It would be great for there to be an area where dogs are allowed in just so that families with dogs can go to the Shawl and not have to leave there dog/dogs at home.	3/1/2021 5:33 PM
70	<b>Bikes</b> A pump track would be great as long as it is a decent size.	3/1/2021 5:17 PM
71	I do not wish it to become a place where teenagers get up to no good	3/1/2021 3:59 PM
72	There needs to be something for older children/teenagers such as skate park or pump track. At present there is nothing like this in the area. I don't think a 'pod' will be of any use as it will be vandalised or used for groups of teenagers to smoke in as with the car park pod. This would put off families. Better paths and accessibility would be beneficial for all and improved picnic facilities will be great for making more of the time there. It would also be good to advertise this space better in Leyburn for use of tourists. It's a great area to bring people in. Please consider all ages of families in this matter as at present, there really isn't much for older children to actually 'do' in the town and local area.	3/1/2021 2:02 PM
73	<b>Improvement of facilities</b> My answers are based on current preferences and circumstances and what my daughter's are likely to be in future. If there was a more accessible path then in my view, a drop off point and toilet access would not be so much of an issue.	3/1/2021 1:46 PM
74	I love the idea of it being upgraded but this would possibly also come with some supervisory measures to ensure it is not damaged.	3/1/2021 1:42 PM
75	Skateboard, cycle area would be great as we currently have to go to Middelham for this	2/28/2021 8:11 PM
76	Older children also need something to do and somewhere to go ... not just young childrens play park	2/28/2021 6:46 PM
77	<b>Fitness/ Gym</b> As people with dogs cut across the playing fields , i would like you to create a fenced off section along the lower limits so the dogs cannot stray onto anywhere the children play . Adults need exercise equipment too , then children can see grandparents and parents having exercise too ..	2/28/2021 1:03 PM
78	To be honest it's fine/perfect as it is.	2/27/2021 9:15 PM
79	<b>Improved access</b> Better access needed from leyburn. You cannot push a pushchair up the grass if wet (which is most of the time in this country) from leyburn to the park.	2/27/2021 6:33 PM
80	<b>Improvement of facilities</b> Great space to revamp. Make more desirable to come and spend while afternoon, picnic area etc	2/27/2021 4:50 PM
81	<b>Improved access</b> <b>Improvement of facilities</b> If it had facilities to make it more accessible we would use it more. Toilets are really helpful because at the moment if we leave to need the bathroom we don't return even if we've only been there 10mins. Seating areas for picnics would be nice.	2/27/2021 12:11 PM
82	If you have a youth pod and a DJ post for music from your phones then it could increase underage drinking and cause the shawl playground etc to get abused	2/27/2021 10:54 AM
83	An area with some shelter from rain would be appreciated	2/27/2021 10:32 AM
84	I believe the access is already suffice, do not want to ruin the picturesque stroll that it already is	2/27/2021 8:54 AM
85	<b>Bikes</b> <b>Improved access</b> I filled this in with a 11yr old and 14 yr old so these are largely their views. They would be most excited to see a skate park/pump track. My daughter liked the design of the paths and thought it would improve the look of the park and make it easier for disabled, elderly and pushchairs to access. More swings would be good, especially of the basket type, would be good as they are already the most popular and the park is busy in summer with tourists.	2/27/2021 8:19 AM
86	I think it's a great idea to be considering these options. I would be wary about making it a hub for anti-social behaviour in the evening. If equipment were to be soiled, littered or	2/27/2021 8:11 AM

## Leyburn Shawl Play Area Improvements

vandalised, it would be off-putting to parents to take children there even if the equipment was otherwise appealing.

87	I think a bike are is a wonderful idea but you will need to close it off so younger children can't easily wander in. More bin is ESSENTIAL. Especially if you are going to encourage teenagers to hang around up there	2/27/2021 7:48 AM
88	More bina	2/27/2021 7:46 AM
89	This is the most beautiful setting, making the playarea improved will be a huge asset to living in leyburn for families.	2/27/2021 7:44 AM
90	We are looking forward to the new and improved shawl, however feel that making it a hang out for teens may stop families going to the shawl. However teens need somewhere to hang out so it's a tough one! I don't think there should be any drop off points for cars etc as the shawl should be kept in its original state as best as it can. The plans look fab though and we are looking forward to using the new and improved shawl!	2/27/2021 7:37 AM
91	<b>Bikes</b> I hope the pump track goes to plan	2/27/2021 6:45 AM
92	<b>Bikes</b> I have three small children making sure the area is secure so they can't escape would be a priority for me, my two year old likes to run off. Also the field is big a bike/ jogging track would be nice for them where they can bike freely without risks	2/27/2021 1:11 AM
93	<b>Fitness/ Gym</b> Would be fab to have teenage area but I think this would be best to have it a little away from the rid for younger kids like nice pod up in left hand corner of the shawl would be fab and put excrise thing up that way to	2/26/2021 11:02 PM
94	A nod to the environment, to encourage the kids to take note of nature, wild flowers, bug hotel, recycle bin.	2/26/2021 10:31 PM
95	This will be a fantastic and long overdue improvement to children's facilities in Leyburn, people using the facilities are likely to also use the local establishments so they would also benefit.	2/26/2021 10:29 PM
96	<b>Improved access</b> Definitely needs improving better signage from town and closer parking	2/26/2021 10:21 PM
97	<b>Improved access</b> We would use this park muck more if there was easier access. It is really hard to get a pram with a baby in and a toddler through the mud and up the muddy field to the equipment. I think the proposed plans look fantastic and can't wait to use them.	2/26/2021 10:14 PM
98	Sounds like an excellent plan to put more equipment as already a great park compared to many	2/26/2021 9:59 PM
99	It needs to be cleaned up in terms of rubbish daily. I suspect it doesn't matter how many bins there are as far as the teens are concerned...	2/26/2021 9:58 PM
100	It would also be nice to have a couple of things for a duo or more instead of one, and maybe add some sport. You know so like swings for two, and more fun things.	2/26/2021 9:42 PM
101	<b>Improved access</b> Could the play park element be moved to the bottom of the field for easier access? There would be less need for access paths. A quieter picnic area and the fitness equipment could be further back.	2/26/2021 9:40 PM
102	We love this park and regularly use it, we'd love it to be updated for our children to enjoy for years to come!!	2/26/2021 9:23 PM
103	Potential plans look really good, I think this is a fantastic idea for rural communities with children.	2/26/2021 9:07 PM
104	<b>Football</b> It needs improving for teenagers.it also needs to be level in places,especially for playing football.it also needs to be cut more regularly	2/26/2021 8:26 PM
105	<b>Improved access</b> <b>Inclusive</b> I agree with a parking area for disabled access-something that never occurred to me but now mentioned I think to be very important. My concern with the DJ post is the music that is played when there is a vary of ages but I suppose anything can easily played on loud speaker from any device.	2/26/2021 7:52 PM
106	<b>Improved access</b> <b>Inclusive</b> Would love for sensory equipment that is friendly and useable for children with disabilities	2/26/2021 7:33 PM
107	As with everything I have concerns that the improved area would be vandalised by older children/teens and spoil it for the ones who wish to use it properly	2/26/2021 7:31 PM
108	<b>Improvement of facilities</b> Toilet is a great idea!	2/26/2021 7:13 PM

## Leyburn Shawl Play Area Improvements

109	My children are young enough at the moment to be entertained, but my eldest 8 will soon grow out of what is there... there is a terrible lack of activity and entertainment for teens in this area. Provide facilities such as a skate park and least they have somewhere to go and be and do something. Children and teens need to play and be together to thrive.	2/26/2021 7:09 PM
110	I wouldn't recommend a trampoline they break so quickly. Have seen two broken ones in local play areas not long after installation.	2/26/2021 6:24 PM
111	<b>Bikes</b> In terms of accessing the playpark it would be easier to get to play equipment if it was at opposite end of park and closer to town. If there was to be a bmx track I would like to see the play equipment area or bike track fenced off to keep younger children safe so didn't wonder onto track. I appreciate that dont want dogs running around the park but a small area in which could tie dog up safely and still watch children play would be helpful and would allow children to have a play at park after a dog walk.	2/26/2021 6:17 PM
112	<b>Bikes</b> <b>Improvement of facilities</b> My children love zip wires but the one currently in place is impossible for them to get on due to the platform being too far from the seat (or vice versa). I always end up having to help them get on it which is a shame as they love the freedom of being able to run from one apparatus to another. Some other ideas: Dual zip wires side by side so children could 'race'. A sandpit would be great for little ones. A bouldering wall would also be brilliant for people of all ages- great for developing strength, skill and co-ordination. The lack of toilet facilities is the main reason we don't stay longer, it was a particular problem when the children were toilet training! Somewhere for kids to ride their bikes without worrying about traffic would be fantastic. Maybe a circular track running round the edge of the park? Lastly possibly some sort of refreshment stand? Carrying a coffee from the town up to the park can lead to spillages, especially if you're pushing a pram!	2/26/2021 6:13 PM
113	<b>Bikes</b> <b>Improvement of facilities</b> The area is lovely already but the new plans look amazing. A trampoline type piece of equipment would go down very well with most children I know in the 4-9 age bracket. There is one at Harmby and it's hard to get my kids off it to go home! Bins are important as there is often litter on the playing field sadly. Picnic benches are great but we are also happy using a picnic blanket on the grass. We are jot big sport people but I can understand that football pitch improvements would go down well with many. A bike/scooter area would be brill, especially if it incorporated an area for younger riders.	2/26/2021 6:06 PM
114	Myself & my family have used the shawl for the past 19 years & my husband has used it all his life.. I would love to see more things for teens & somewhere to use bikes.. also I would keep the zip wire because it's one of the most used all the children line up to use it.. a separate picnic area would be good.. it's a beautiful space & my children love it there as do I..	2/26/2021 5:58 PM
115	<b>Improvement of facilities</b> I think it's really important to have picnic tables.	2/26/2021 5:48 PM
116	It needs more dog poo bins. It's disgusting around there and I worry about taking my children because of how dirty it is	2/26/2021 5:42 PM
117	<b>Fitness/ Gym</b> Beautiful space needs improving to encourage exercise in all ages	2/26/2021 5:37 PM
118	I cannot wait for improvements to be made. All the plans look fantastic. My kids would be there all the time.	2/26/2021 5:06 PM
